

Title : Mathematics Grade K
Type : Essential

	September				October				November				December				January				February				March				April				May				June							
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42		
September/Week 1 - September/Week 3																																												
Sorting and Classifying																																												
September/Week 4 - October/Week 5																																												
Position and Location																																												
October/Week 6 - October/Week 8																																												
patterns																																												
November/Week 9 - November/Week 10																																												
zero to five																																												
November/Week 11 - December/Week 13																																												
Comparing Numbers																																												
December/Week 14 - December/Week 15																																												
Geometry																																												
December/Week 16 - December/Week 17																																												
Fractions and Ordinals																																												
January/Week 18 - January/Week 19																																												
Measurement
