

Title : Mathematics Grade 6

Type : Essential

	September				October				November				December				January				February				March				April				May				June											
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42						
September/Week 1 - October/Week 6																																																
Number Representation																																																
October/Week 7 - December/Week 13																																																
Fractions, Decimals and Percents																																																
December/Week 14 - January/Week 19																																																
Understanding and Using Fractions																																																
January/Week 20 - February/Week 25																																																
Understanding and Using Decimals																																																
March/Week 26 - April/Week 33																																																
Geometry and Measurement																																																
April/Week 34 - June/Week 41																																																
Algebraic Thinking
